POLICY: Environmental Policy

2. Introduction

The Environmental Policy is released as a standalone document and is communicated and implemented throughout the organisation.

The Environmental Policy of WINNS Services is as follows:

THE DIRECTOR OF WINNS SERVICES

Our Environmental Policy is to be a responsible corporate organisation in protecting the environment. We are committed to complying with accepted environmental practices, including the commitment to meet or exceed applicable legal and other requirements, to strive for continual improvement in our environmental management system, and to minimise the creation of wastes and pollution. We will, therefore, manage our processes, our materials, and our people in order to reduce the environmental impacts associated with our work.

Our Environmental Policy provides the framework for setting and reviewing environmental objectives and targets. Our Environmental Policy is documented, implemented and maintained and communicated to all employees.

WINNS Services, pledges to implement and operate the ISO-14001 Environmental Management System to further enhance environmental performance. Our main objectives and commitments are to:

- Investigate the possible reduction of harmful chemicals for cleaning
- Reduce, reuse and recycle waste and packaging
- Improve the efficiency of energy waste

This policy will be communicated to all parties interested in the performance of our environmental management system, including the public.
